German New River Settlement, Va
by Rev. Ulysses A. Weaver Gen. Pub. 1976

B. 7 Adam Harman Below the Mouth of Shoms Creek.
about 1746 he was evidently located about
the McDonald Farm just above Price's Fork,
as this land belonged to his bro. Jacob or
perhaps to both Jacob & Adam. ^{as Adam was to oversee} Adam moved
to Eggleston & Smiling Spring in 1749 (wills
of the mtm. Adam a great hunter). Adam had come
from James River & settled at Blacksburg c. 1748

+ buried the rd.
from his home to
New River where
he still claimed
land.

B. 8 Hunt & fish possibilities were real objectives for
settling this area. The 1st such on record for
the Horse Shoe ^{bottoms} as obtained by Jacob Harman
1752 & one of the same date for Adam for land
below Shoms Creek. Jacob was there in 1749, ^{missionaries} ^{settled}
In April 1749 ^{seen} Indians robbed the house of ^{30 mi from} ^{Shmash} ^{in Petto}
Adam Harman on New River - the Indians came 3
days in a row.

Q.12 - The 3rd road - from waters of the No Fork of the
Roanoke River to Adam Harman & from
Adam Harman to New River. Adam was the
surveyor & works were by Draper, Israel
Sorton & son, Shos, Looney, Jacob Harman & 3
sons, George Harman, Jacob Castle, John
Lane, Valentine Harman, Adam Meser,
Hem Burton Lyon, James Shaggs, John Davis,
Frederick & 2 sons.

Adam Harman on New River 2-3 yrs before 1745
Jacob " Sr killed at North River by Indians
in 1756. Jacob, Jr deeded farm to Byron
McDonald 1768. Valentine also murdered by Indians)

Q.17 The Peak Mt. German settlement was closely
related to the NR sett of Germans, can never be
questioned. one of the early Jacob Harman's lived &
died in the vicinity of the church. (Peak Mt.)
He was evidently a 1st cousin to Adam, Valentine
& Jacob, bro. of the NR settle, the last 3 along
with Michael Bruce, John Philip Warren, Jacob
Sheel, Sifford & perhaps 1 or 2 others pushed
on to NR settle.

Q.22 Jacob Harman came in ship Good Will 9-11-1728
Adam " is said to have come over in 1725
other Jacob 9-28-1738 w/ Rich. & Eli.

for failure to pay the yearly stipend to the
King of Eng.
